✘ Go into all the world... ✘

Jesus commissioned every believer to go into all the world and make disciples. In September, we flew 8000 miles from home to Axum, Ethiopia to share the "good news" of God's love in deed and in truth with the people. In January, we have the opportunity to continue this journey with them as we make Axum our new home.

GOD HAS ASKED US TO GO...

Over the last year, God has been speaking to our hearts about moving to Axum, Ethiopia with Mosaic Global Mission. Since our return from Axum, we feel more certain than ever that this is God's will for us. It's never

easy to leave family, friends and the many things that bring us

life's comforts and pleasures, but

we know that whatever we give up in this life for His glory is worth the cost. This is a great opportunity to live out the gospel with those who need to see His glory and hear of His marvelous works, but we cannot do it alone.

Will you join us in this amazing story through your prayers and financial support?

We would love to hear from You!
